WHAT PACT VOLUNTEERS SAY ABOUT SUPPORTING CHILD WITNESSES

- *It is always interesting work. When you feel that you assisted someone, there is no other feeling like it. (Kate, Brisbane)*
- *It is challenging, rewarding and a worthwhile use of your time. (Donna, Brisbane).*
- *We have found that when you see a child witness who was initially very nervous, able to present their evidence calmly to the Judge and Barrister, it is reward enough for what we do. (Neil and Desley, Townsville)*
- *I have a love of children. I see it as a privilege to assist the community and to support kids and their families. (Brenda, Brisbane)*

PACT is a community based, not for profit organisation that receives funding through donations, membership fees and a recurrent grant from the Department of Justice and Attorney-General.
